

Notice No.1 – Support Boat Registration Form

April 10, 2008

Dear Teams,

To facilitate the planning of berths and harbor management for the Regatta and speed the process of on-site registration, we would appreciate it that you could provide information on your support boats in advance by filling in the Support Boat Registration Form and return it to the Organizing Committee (sailing@beijing2008.cn) before April 25th.

You shall provide such information at on-site registration in case you can't make it before the above date, which might prolong the process of your team's on-site registration.

Thanks for your understanding and cooperation.

The Organising Committee of
The 2008 IFDS Qingdao International Regatta
